INVITATION

I am pleased and privileged to extend my heartiest invitation to all Orthopedics Surgeons, Doctor colleagues, PG students, interns and members of allied specialities to attend the CME & Cadaver Workshop on knee Arthroplasty to be held on 28th & 29th December 2013 at Adesh University, Barnala Road, Bathinda (Near Bhucho).

The theme of the workshop is Computer Assisted Surgery (CAS) in Total Knee Arthroplasty (TKA). CAS has demonstrated better alignment, functional improvement, more precise soft tissue balance, less requirement of blood transfusions and faster rehabilitation. The CME will provide you ample opportunity to compare CAS with conventional TKA surgery. Live surgery demonstration and scientific sessions are add on in this CME. The workshop will create awareness and provide hands on training on fresh frozen cadavers to the participants on TKA.

Free Paper and Poster presentation session has been arranged for Faculty and PG students. However they must send the abstracts of their paper/poster by e-mail to nitinbansal2380@gmail.com or drparmodgoyal@gmail.com by 15th December. Oral Presentation will be of 7 minutes.

We look forward to welcome you and assure you a comfortable and pleasant stay at AIMSR Bathinda.

Dr. Nitin Bansal
Associate Professor
Department of Orthopedics
Adesh Institute of Medical Sciences & Research Bathinda
