

“The effort in CBE should not lie in the design of instructional materials but in the design of appropriate assessments”.

Harris and Keller,
1976

“The primary instrument in competency-based education is the assessor rather than the tools/scales that are used.”

Lockyer et al, 2017

“No educational practice is inherently superior or inferior. How it is used makes all the difference.”

Cook, 2007

Accommodation

Accommodation will be provided to participants on a sharing basis within the campus at nominal rates.
