Message from

Chancellor

I personally, and on behalf of the Governing Body as well as the whole ADESH-family extend you a very warm welcome to join Adesh University to structure your career. We have clearly laid down our vision, mission, and values and all efforts are being made to utilize the infrastructural facilities and intellectual capital to achieve these goals and values. It is our endeavor to encourage our students to participate and to involve in medical, technical, social, cultural and sports activities, just to enable them to stay abreast with global demand of being a complete human being.

When we started our first multi-specialty referral hospital in 1989, our mission was to provide quality healthcare of international standards in India. Our consistent commitment to maintaining excellence has made us the largest healthcare provider in Punjab. Today, Adesh Group is the world in itself. We manage a network of specialty and super specialty hospitals and clinics and provide technical, medical & paramedical education. After twenty-five years of dedicated service, I feel, we still have a lot to achieve.

Today, we now have a string of medical, dental, pharmacy, physiotherapy and paramedical colleges. The Adesh Group has established various colleges of Engineering & Technology, Polytechnics in Punjab. Over the years it has been fostering the mission of promoting educational excellence in the field of science and technology and has now grown into a premier technical and engineering education provider in India. We offer Diploma, Graduate and Post Graduate programs in various areas of Medical Sciences, Engineering & Technology, Pharmaceutical Sciences, and Management.

I invite you to explore this unique field of study, which truly has an impact upon science, medicine, and society. Please get in touch with us for any assistance and more information.

Dr. H S Gill
MD (Medicine)
Chancellor

Message from

Vice-Chancellor

Dear students and parents,

It is with a sense of great pride and joy that we welcome you to Adesh University Bathinda Campus. The foundations of this institution have been raised on the vision to make it a world-class centre of excellence in higher education, be it in healthcare or other realms and also to provide a nidus for patient care comparable to the finest anywhere in the world. The focus, therefore, is on the student who has chosen Adesh University, to develop as wholesome professional globally competitive and locally responsive and for that, we have set lofty institutional objectives as you shall perceive once you enter the portals of this University.

The last few years have seen us working with a great sense of determination and commitment to make this campus develop as a mini town with all the facilities inside. We are well aware that this is going to be your home away from your home for the next several years and it is vital that the campus provides an amicable and congenial environment, healthy for your growth and comfort.

Although you are here primarily in pursuit of good education and qualification, yet, we believe that you should have adequate opportunities for extracurricular activities, particularly cultural and sports. We encourage all such activities that will help you to develop an all round personality and become an excellent professional. At this juncture, it is important that you become aware of our expectations of you as well. As much as you have a right to stay and enjoy the privileges on the campus, other fellow students who are here have this right as well. Hence, this institution cannot tolerate indiscipline in any form including any acts of teasing, ragging or harm to fellow students, physical or emotional.

Students who have difficulties with their subject(s) are encouraged to directly seek to counsel from the Principal/Head of the department concerned. They are further encouraged to contact the administration to obtain necessary help for improvement. As per institutional policy, it is mandatory for every student to ensure 75% attendance including attendance in the non-theoretical aspects of every subject besides meeting the required standards set up for the internal assessment examinations.

Having said all this, we want you always to remember that we as well as every member of the faculty, staff, and management, measure our success by yours and that our doors are always open for you if you ever need our help. Wishing you the very best in your life.

Dr G P I Singh
MD, DIH, FISCD, FIAPSM, FIPHA
Vice Chancellor
